

MULTILINE BAFFLES

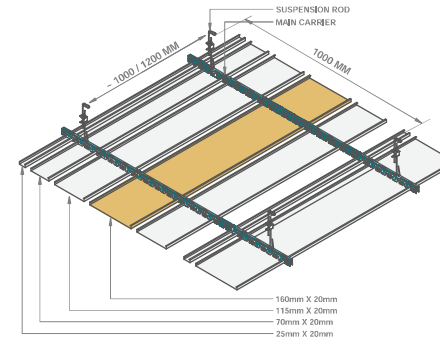

Contemporary and extremely functional, baffle ceilings are known for their exceptional style and acoustic enhancement. Multiline Baffles are a collection of various patterns and combinations which accentuate the dynamicity further. They are extremely versatile and can be combined with their technical shutters, offering a particular aesthetic game of colours and shadows.

Carved a niche in manufacturing finest quality, personalised baffle ceiling systems.

APPLICATION: Banquets, Conventions, Airports, Lobby, etc.
