

## U SHAPED BAFFLE CEILINGS

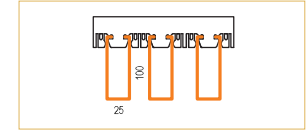

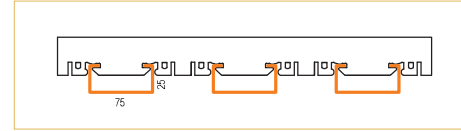

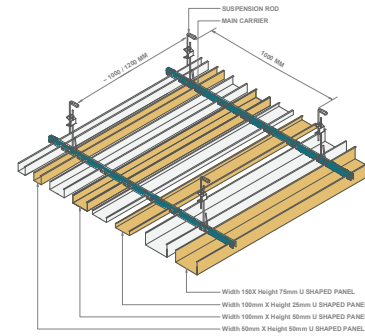

U-shaped Baffles are a perfect fit for spacious rooms. The panels are arranged linearly or designed to form various patterns to render distinctive aesthetics. They allow natural flow of air and hidden, decorative lighting designs that enhance the elegance & usability of any space subtly. The baffles also enhance the acoustics of the space.

U-shaped baffles are available in various sizes, metals, wooden materials and finishes. Our baffles radiate a concise modern style with a simple and convenient installation assembly.

**APPLICATION:** Offices, Reception Lobby, Conference Rooms, etc.
