**with unlimited pattern options
completely custom designs**

Wish patterned aluminum skirting board profile can match with any environment due to its unlimited pattern designs options. It is widely preferred in children's rooms and kindergartens. It can also be used for advertising and to present corporate identity in public areas. It covers the defects in floor and wall joints. It prevents dirt accumulation and harmful organisms to provide hygienic and healthy use for many years. With the hollow area in its design, it collects the telephone, electricity and internet cables to organize your environment.

In addition to existing pattern designs we offer, personalized designs can also be applied to Wish patterned aluminum skirting board.
